

# Hall Green and North Solihull Child Contact Centres

## Adult Safeguarding Policy

### Introduction:

This policy is to make sure that Hall Green & North Solihull Child Contact Centres ('the Centres') have all the right things in place to protect and safeguard adults.

The Centres believe in protecting an adult's right to live in safety, free from abuse and neglect. This policy sets out the roles and responsibilities of the Centres in working together in promoting the adult's welfare and safeguarding them from abuse and neglect. Employees, trustees and volunteers should be made aware of how this policy can be accessed.

This policy and related procedures are applicable to the Chair of Directors and Trustees, Directors and Trustees, employees and volunteers of the centres. Failure to comply with the policy and related procedures will be addressed without delay and may ultimately result in dismissal/exclusion from the organisation.

### Care Act 2014 Definition of an Adult at Risk of Abuse:

Where a local authority has reasonable cause to suspect that an adult in its area (whether or not ordinarily resident there)

- (a) has needs for care and support (whether or not the authority is meeting any of those needs),
- (b) is experiencing, or is at risk of, abuse or neglect, and
- (c) as a result of those needs is unable to protect himself or herself against the abuse or neglect or the risk of it.

### Key Principles of Adult Safeguarding:

In the safeguarding of adults, the Centres are guided by the six key principles set out in The Care Act 2014 and Making Safeguarding Personal. The Centres aim to demonstrate and promote these six principles in our work:

- **Empowerment** – People being supported and encouraged to make their own decisions and informed consent
- **Prevention** – It is better to take action before harm occurs.
- **Proportionality** – The least intrusive response appropriate to the risk presented.
- **Protection** – Support and representation for those in greatest need.
- **Partnership** – Local solutions through services working with their communities. Communities have a part to play in preventing, detecting and reporting neglect and abuse.
- **Accountability** – Accountability and transparency in delivering safeguarding.

### Recognising the signs of abuse:

Employees, directors / trustees and volunteers are well-placed to identify abuse the adult may say or do things that let you know something is wrong. It may come in the form of a disclosure, complaint, or an expression of concern. Everyone within the organisation should understand what to do, and where to go to get help, support and advice.

## Types of Abuse:

The Care Act 2014 defines the following ten areas of abuse. Wigan borough also includes self-neglect as an additional category. These are not exhaustive but are a guide to behaviour that may lead to a safeguarding enquiry. This includes:

- **Physical abuse** - Including assault, hitting, slapping, pushing, misuse of medication, restraint or inappropriate physical sanctions.
- **Domestic Violence/ Domestic Abuse** - Including psychological, physical, sexual, financial, emotional abuse; so called 'honour' based violence.
- **Exploitation**- Including sexual and/or criminal exploitation
- **Sexual abuse** - Including rape, indecent exposure, sexual harassment, inappropriate looking or touching, sexual teasing or innuendo, sexual photography, subjection to pornography. Witnessing sexual acts, indecent exposure and sexual assault or sexual acts to which the adult has not consented or was pressured into consenting.
- **Psychological abuse** - Including emotional abuse, threats of harm or abandonment, deprivation of contact, humiliation, blaming, controlling, intimidation, coercion, harassment, verbal abuse, cyber bullying, isolation or unreasonable and unjustified withdrawal of services or supportive networks.
- **Financial or material abuse** - Including theft, fraud, internet scamming, coercion in relation to an adult's financial affairs or arrangements, including in connection with wills, property, inheritance or financial transactions, or the misuse or misappropriation of property, possessions or benefits.
- **Modern slavery** - Encompasses slavery, human trafficking, forced labour and domestic servitude. Traffickers and those who coerce, deceive and force individuals into a life of abuse, servitude and inhumane treatment.
- **Discriminatory abuse** - Including forms of harassment, slurs or similar treatment because you are, or are perceived to be different due to race, gender and gender identity, age, disability, sexual orientation or religion.
- **Organisational abuse** - Including neglect and poor care practice within an institution or specific care setting such as a hospital or care home, for example or in relation to care provided in one's own home. This may range from one off incidents to long-term ill treatment. It can be through neglect or poor professional practice as a result of the structure, policies, processes or practices within an organisation.
- **Neglect and acts of omission** - Including ignoring medical, emotional or physical care needs, failure to provide access to appropriate health, care and support or educational services, the withholding of the necessities of life, such as medication, adequate nutrition and heating.
- **Self-neglect** - This covers a wide range of behaviour neglecting to care for one's personal hygiene, health or surroundings and includes behaviour such as hoarding.

## **Radicalisation to Terrorism:**

The Government through its PREVENT programme has highlighted how some adults may be vulnerable to exploitation and radicalisation and involvement in terrorism. Signs and indicators of radicalisation may include:

- Being in contact with extremist recruiters.
- Articulating support for violent extremist causes or leaders.
- Accessing violent extremist websites, especially those with a social networking element.
- Possessing violent extremist literature.
- Using extremist narratives to explain personal disadvantage.
- Justifying the use of violence to solve societal issues.
- Joining extremist organisations.
- Significant changes to appearance and/or behaviour.

## **Reporting Concerns:**

Any employee, director / trustee or volunteer who becomes aware that an adult is or is at risk of, being abused must raise the matter immediately with one of the Coordinators or with the Chair of the Board . **If the adult requires immediate protection from harm, contact the police and Adult Social Care of the relevant local authority (usually Birmingham City Council or Solihull Metropolitan Borough Council.**

Early sharing of information is the key to providing an effective response where there are emerging concerns. To ensure effective safeguarding arrangements no one should assume that someone else will do it.

## **Safe Recruitment & Selection:**

The Centres are committed to safe employment and safe recruitment practices that reduce the risk of harm to adults with care and support needs from people unsuitable to work with them.

The Centres have policies and procedures that cover the recruitment of all employees and volunteers. In the first instance reference should be made to the Centres' Recruitment Policy.

## **Is there a Person in a Position of Trust Involved?**

In any instance of safeguarding, consideration must be given as to whether an allegation has been made against a person in a position of trust (PiPoT) and who may be a risk to others. This can be anyone from a formal employee or volunteer, to an informal carer. Both Birmingham City Council's and Solihull Metropolitan Borough Council's Adult Social Services have a processes in place for relevant information sharing and for reporting individuals via Multi Agency Safeguarding Hubs (MASH). See the **Important Contact List** at the end of this Policy

## **Safeguarding Children**

The Centres have a separate Safeguarding and Child Protection Policy to which reference should be made in the event of any child safeguarding concerns. For the avoidance of doubt any such concerns in relation to children using and/or present at the Centres should immediately be reported to a Team Leader, Coordinator or Chair of the Board.

## **Mental Capacity:**

The Mental Capacity Act 2005 (MCA) defines someone is lacking capacity, because of an illness or disability such as a mental health problem, dementia or a learning disability, who cannot do one or more of the following four things:

- Understand information given to them about a particular decision
- Retain that information long enough to be able to make the decision
- Weigh up the information available to make the decision
- Communicate their decision. Refer to the Mental Capacity Act Code of Practice, <https://www.gov.uk/government/publications/mental-capacity-act-code-of-practice>.

The Centres will need to involve an advocate if the person lacks capacity to make decisions about a safeguarding concern.

Support and guidance will be sought from Birmingham or Solihull Adult Social Care should anyone have concerns regarding an adult's capacity.

## **Confidentiality and Information Sharing:**

The Centres expect all employees, volunteers and directors / trustees to maintain confidentiality. Information will only be shared in line with the General Data Protection Regulations (GDPR) and Data Protection Act 2018

However, information should be shared with the Local Authority if an adult is deemed to be at risk of harm or **contact the police if they are in immediate danger, or a crime has been committed.**

## **Recording and Record Keeping:**

A written record must be kept about any concern regarding an adult with safeguarding needs. This must include details of the person involved, the nature of the concern and the actions taken, decision made and why they were made.

All records must be signed and dated. All records must be securely and confidentially stored in line with General Data Protection Regulations (GDPR) and will be kept by the Chair of the Board.

## **Whistleblowing:**

The Centres are committed to ensuring that employees and volunteers who in good faith whistle-blow in the public interest, will be protected from reprisals and victimisation. Reference should be made to the Centres' Whistleblowing Policy.
